

MONDAY
MARCH 11TH
2019

Dear Industry Partners,

TEM is pleased to announce our first annual golf tournament benefitting the BumbleBee Foundation.

The BumbleBee Foundation was established in memory of Jarren Mitchell Donatini who lost his battle with Hepatoblastoma (liver cancer) at the age of 4 1/2. Throughout his 18-month fight for his life Jarren endured multiple surgeries and numerous rounds of chemo. During treatment and all the side effects associated with chemo Jarren never lost his love for life. His contagious smile and deep brown soul-full eyes captured the hearts of all who knew him, as well as many who never met him but fell in love with him through his story.

The BumbleBee Foundation is committed to sharing hope with pediatric cancer families fighting the same battle. The needs of these families is tremendous: medical bills, prescriptions, transportation expenses, lodging expenses, and counseling to name a few.

Jarren's favorite movie was Transformers – he'd watch it every day if they let him! BumbleBee the fierce yellow Camero Autobot became a sign of Jarren's love and strength. **We are calling for Bumble Bee's autobot friends to join the fight against pediatric cancer!**

With your help we can ease some of the burden these families face as they too fight for their child's life. Thank you for sharing HOPE with us.
